Law (General)Department

Subject:-Court Hill school,Mangalore,for the Adi-Dravidas.

(C.No.205) From the Commr.of Labour D.C.No.1525, dated the 12th January 1923.

A.S

In August 1920 the Secretary of the Dppressed Classes Mission,Mangalore, applied inter-alia for a grant of Rs.800 to construct a building for the carpentry class attached to the Court Hill Higher elementary Panchama school and Rs.4150 to construct another building for the general expansion of the school. The Commr. of Labour who was asked to investigate the necessity of the proposals found that a building was necessary for the expansion of the school. In G.O.No.1122, dated the 1st May 1922, he was asked to get the necessary estimates and plans prepared. But at the same time the Commr.of Labour was directed to inform the Depressed Classes Mission that the order referred above did not commit Govt.definitely to any contribution and that the Govt.would consider whether they should bear the cost,on receipt of plans and estimates.

2.With reference to the above orders,the Commr.of Labour has now forwarded the plans and estimates. The cost of the building comes to only Rs.3180 and is less than what was proposed in the beginning. The Commr.of Labour recommends the estimate and states that necessary funds are available in the current

years budget. He does not say whether the work should be executed by the P.W.D or by the Depressed classes mission which manages the school. The mission is a private body and the P.W D is not bound to carry out the work for it. In connection with the construction of wells for the Depressed classes settlements under the mission, the Commr. stated that the Hon.Secretary of the Mission would execute the work and that the Govt. grant would be placed at his disposal by the Collector after satisfying himself of the completion of the work. It is for consideration whether in the present case also a grant of Rs.3180 may be given to the Mission on its completing a building in accordance with the plan and estimate prepared by the P.W.D.

3.The file may be sent to Finance and P.W.D for urgent remarks.

SLL.
9.3.23.

S

It is of course absolutely useless having money for this in the current years budget. The question is whether, if sanctioned, it can be financed in 1923-24. There is no surplus budget provision and as every endeavour is to be made to reduce rather than increase the deficit I think this should await until Govt can indicate a source from which it can be met. Govt for further remarks

Us

Submitted the file relates to the Construction of certain buildings for the Adi. dravida School at mangalore at a Est of Rs 3150/-
It is stated that the Depressed Classes Mission who manages the school are unable to undertake the work and it is accordingly suggested that the P.W.D should take up its execution as a Spl Case, the usual Centage Charges being levied
The Plans Estimates for the work have been prepared by the E E West Coast Dn, and there seems to be no objection to this Deptt undertaking its execution and necessary orders being issued to the S.E for its early completion. The Law (Final) Deptt state that necessary funds for the work will be provided by the Labour Deptt

A draft order on the Case is accordingly submitted which it is perhaps unnecessary to circulate to M3
